a Yellow fever reported; cases not given.

Smallpox in Atlanta.

ATLANTA, GA., November 14, 1897.

SIR: I have the honor to report that all mail and baggage not disinfected at point of departure in infected districts, and all baggage of returning refugees, must show certificates of fumigation at this station before being accepted by the officials of Florida, Mississippi, and a portion of Alabama.

The following is a synopsis of smallpox since last report :

Total number of cases to date	64
Total number of cases previously reported	61
Total number of new cases	3
Total number discharged, recovered	11
Total number of deaths	1
Total number remaining in hospital	52
Total number in quarantine, suspects	43

Very respectfully,

HENRY W. SAWTELLE,
Surgeon, U. S. M. H. S.

ATLANTA, GA., November 16, 1897.

SIR: In accordance with my telegram of this date, I have the honor to report that the fumigation of mails and baggage has been discontinued.

Regarding the existing smallpox, the following is a synopsis of the record since my last report :

Total number of cases to date	69
Total number of new cases since last report	5
Total number discharged, recovered	11
Total number of deaths	1
Total number of cases in hospital	57
Total number of cases in quarantine, suspects	40

Very respectfully,

HENRY W. SAWTELLE,
Surgeon, U. S. M. H. S.

Smallpox in the United States as reported to the Supervising Surgeon-General United States Marine-Hospital Service, December 29, 1896, to November 19, 1897.
